- 1) This policy shall supersede all rules of Organization Members that pertain to assaults or abuse upon US Soccer Federation referees, assistant referees, the manner and means of hearings, appeals, and re-hearings in matters pertaining thereto.
- 2) Nothing in this policy rule shall be construed to restrict or limit any league, event/tournament or State Association from applying equal or greater restrictions to anyone not listed in section 4(a)(1) of this Policy (i.e., spectator associated with a club or team.)
- 3) This policy shall not apply to players, coaches, managers, club officials, or league officials while participating in Professional League member activities.

- 3) Assault includes, but is not limited to the following acts committed upon a referee: hitting, kicking, punching, choking, spitting on, grabbing or bodily running into a referee; head butting; the act of kicking or throwing any object at a referee that could inflict injury; damaging the referee's uniform or the referee's personal property, i.e., car equipment, etc.

All clubs are to develop and adhere to a policy of Zero Tolerance for referee Abuse (and abuse directed toward anyone).

- 4) Please respect the integrity and judgment of the officials and refrain from abusive, inappropriate actions or words.
- 5) Please behave in a manner that exhibits class and that would never cause Montana Youth Soccer Association or the embarrassment of its member clubs.

Revised 01/23/2016

Policy 3-900 - DISCIPLINARY SANCTIONS

The sanctions indicated below are automatically applied and it is the responsibility of the club, the team, all coaches and administrators for either the team or the club to assure that the penalty is served. Failure to invoke the penalty may result in further sanctions against the penalized party and sanctions against the club, the team, and any and all of their administrators or coaches.

A. Rules which invoke an automatic penalty and the penalty:

- 1) The receipt of three (3) cautions during a playing season or a tournament, unless stipulated otherwise in the particular tournament rules, shall require the player to sit-out one game. Thereafter, upon the receipt of two (2) additional cautions during the same season or tournament, the player shall sit-out a second game OR the applicable penalty as stipulated in Policy 2-700 – Misconduct Toward Game Officials, whichever is appropriate. It is understood that if a player receives an ejection as a result of receiving two (2) cautions in a single game, the second caution of a match that led to the ejection shall NOT be counted as part of the accumulation of cautions since it resulted in a sit-out already. All required sit-outs MUST be served during the next scheduled league/tournament game(s) within that division.
- 2) The receipt of an ejection shall require the player to sit-out the remainder of the present game and the entire next game. Upon the second and third ejections in any season or tournament, the player shall be required to sit-out the remainder of the game being played when the ejection was received and an additional two (2) and three (3) game, respectively. An additional ejection or caution received after the third ejection shall suspend the player from the remainder of the present game and for the remainder of the seasonal year OR the applicable penalty as stipulated in Policy 2-700 – Misconduct Toward Game Officials, whichever is appropriate. All required sit-outs MUST be served during the next scheduled league/tournament game(s).

B. Cautions and/or Ejections received at out of state tournaments: Players, coaches, and/or bench personnel receiving cautions/ejections at out of state games/tournaments requiring game sit-outs MUST sit-out the next scheduled corresponding game(s). If the penalty was received in the team's last game of that specific event, the sit-out shall be served at the next scheduled Montana Youth Soccer Association league/tournament game(s). Incurring a penalty out-of-state does not relieve the team member from serving the proper penalty.

C. Coaches or Bench Personnel who are dismissed from a match shall be automatically suspended from the next two games scheduled and played under US Youth Soccer Affiliation and competition for which they are rostered, OR the applicable penalty as stipulated in Policy 2-700 – Misconduct Toward Game Officials, whichever is appropriate. All required sit-outs MUST be served during the next scheduled league/tournament game(s) within that division. Upon receiving a second dismissal during a season the coach or bench personnel shall miss the next four scheduled league/tournament matches played under US Youth Soccer Affiliation and competition for which they are rostered, OR the applicable penalty as stipulated in Policy 2-700 – Misconduct Toward Game Officials, whichever is appropriate. Said coach cannot participate in any other division matches as well. Sit-out

requirements will carry over to the next season if they have not been fulfilled by the end of the season. If coach or bench personnel should receive a third dismissal the coach or bench personnel shall be temporarily suspended for the remainder of the existing season and the next season pending review by both the club for which he/she participates in as well as MYSA.

- D. Documentation of Sit-Outs: It shall be the coach's responsibility to see that all sit-outs by players, coaches, and/or bench personnel shall be documented by the center referee of the game for which the sit-out occurs

- L. Players may be substituted only during a stoppage of the game according to Law 3. The number of substitutions shall be unlimited unless a competition superseding the jurisdiction of this Association or section specifically determines otherwise – (Example: US Youth Soccer NCS Qualifying Premier League Matches). Both teams are allowed substitutions at any stoppage of play only with the permission of the referee. The substitute enters the field of play after the player being replaced has left and after receiving a signal from the referee. This applies to all competitive levels unless specified otherwise – See MYSAs Policy 6-300(5).
- M. Whenever the referee authorizes a coach/bench personal to enter the field to attend to an injured player (excluding the goalkeeper or field player who has been injured in a collision with the goalkeeper, and both are injured), the player MUST leave the field and MAY be substituted. If not substituted, the injured player may only re-enter the field after the match has restarted and only with the permission of the referee. Referees are reminded that the safety of the players comes first and decisions regarding injuries should be based upon age of players and level and speed of competition. The referee should ALWAYS error on the side of player safety.

In any case, neither a substitute nor anyone else may enter the field of play until the referee signals permission for the substitute(s) and or team personnel to enter. It is strongly recommended that the referee follow the mechanics for substitution as outlined in Law 3.

- N. The length of games, overtime periods, and ball size for each age group shall be as follows:

Division	Game Length	Overtime Periods	Ball Size
11U-12U	Two 30-min. halves	Two 10-min. halves	#4
13U-14U	Two 35-min. halves	Two 10-min. halves	#5
15U-19U	Two 40-min. halves	Two 15-min. halves	#5

All halftime intervals shall be 10 minutes unless referees and both coaches agree to shorten.

The rules below apply to MYSAs Competitive League play and not recreational soccer unless otherwise stated.

- O. If it is determined a game must be terminated due to inclement weather and/or unsafe field conditions and one half of the game has been completed prior to termination, the results of the game at the time of termination will stand and the game will not be replayed.
- P. Games that result in a forfeiture will be scored 1-0 in favor of the non-forfeiting team.
- Q. Any team that fails to play a duly scheduled game shall be deemed to have forfeited that game. The referee shall grant a team up to 15-minutes after the scheduled start time to have the minimum number of players required to start/play a match before determining the team to be a no-show.  - 2) If an explanation is not provided in a timely manner or MYSA determines the forfeiting team acted in bad faith by failing to play the scheduled game, the following penalties will be applied:

- S. Player Not in Possession of documentation: NO player shall be allowed to participate in any match without presenting official identification and being **properly** listed on an **unmodified** "Official State Roster". No coach or club shall attempt to cause such an occurrence and no referee shall allow such player on the field of play. Should there be a difficulty in processing passes a letter signed by an MYSA official may relieve a player from the pass/roster requirement. These letters are issued for processing problems at State or similar difficulties and not because of late or incomplete registrations.
- 1) If a player does not present a player pass to the referee and cannot be identified by official government documentation prior to the game, that player may not participate in that game.
 - 2) If a player plays in a game and is not properly registered as explained above, the team shall automatically forfeit that game and may face further disciplinary action by this Association, depending upon the nature of the violation.
