

# Referee Course Request

## Grassroots

This form shall be completed and submitted by clubs seeking to host a Grassroots Referee course. Interested clubs must have at least five (5) committed candidates to be eligible for a course as required by USSF. Host clubs are responsible for securing course facilities (classroom and nearby field space) and the costs incurred for the use of those facilities. The host club must also provide access to a projector, screen, tables and chairs.

Please provide as many as three (3) dates your club would like to host a course and the names of at least five (5) committed candidates below. To guarantee adequate time for the registration window, adequate time for candidates to complete pre-course work and adequate time for the processing of USSF background checks, requests must be submitted at least 45 days before all proposed dates.

Submissions must be emailed to [jack.dockery@montana.edu](mailto:jack.dockery@montana.edu) and [justin@montanayouthsoccer.com](mailto:justin@montanayouthsoccer.com).
