The Yogo Inn has rooms, but they are not blocked.

In addition, there is free camping (first come, first served) at a spot maintained by our Kiwanis Club on the west side of town near Town and Country Grocery store. They have bathrooms and running water for washing, and it is maintained and cleaned daily. There are about 15 spots and tenting is allowed.

They are working on more self-contained camping and tenting options, but don't have them nailed down just yet.
